A rare sight

This is a close-up of the church. It is now unused. It has some interesting features inside.

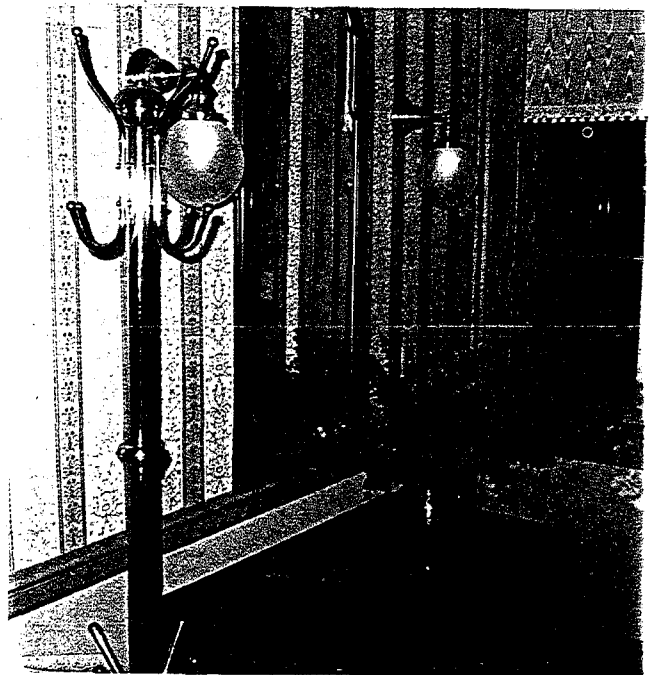

cornice board and draperies I made for living room -

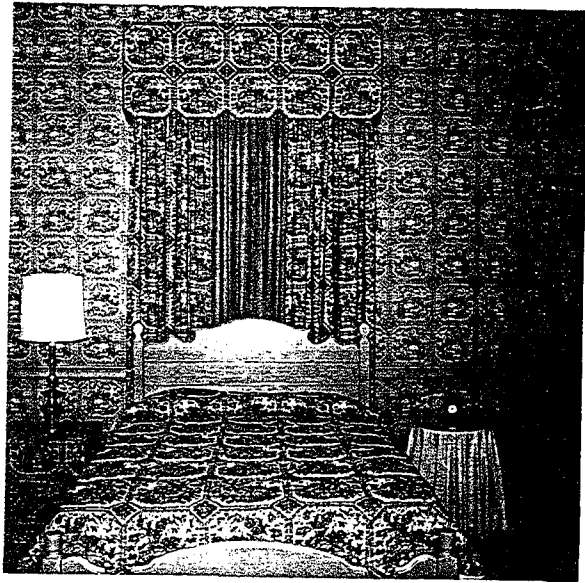

View of kitchen - I sanded, stained and varnished these by myself - I even put the knobs on!

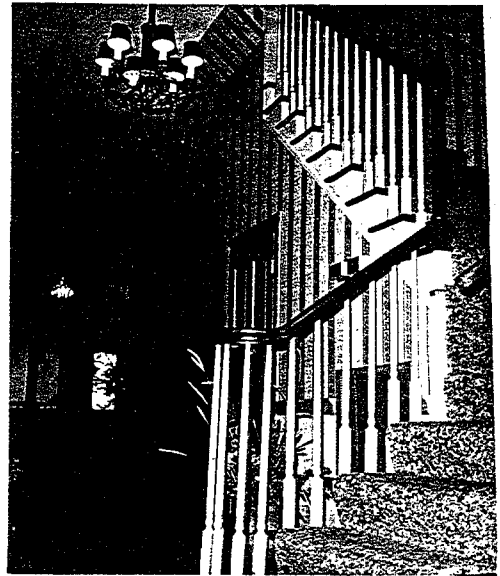

This wardrobe was in the house when we bought it. I refinished it and was amazed at how nice it was. It was Benjamin's grandfather's.

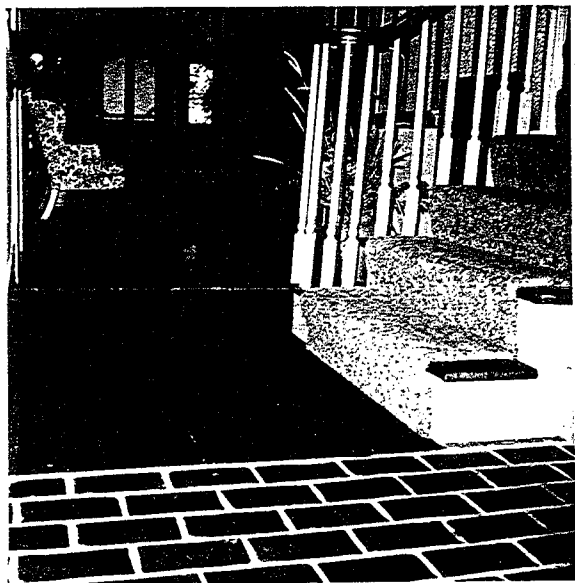

(Front gallery - Note our bargain light fixtures on wall - we found both for \$30.00. Of course, I polished, rewired and scrubbed paint off globes.

Guest bedroom - Benjamin's grandfather made the bed, I quilted the bedspread & made the drapery and cornice board
