STATEMENT OF SIGNIFICANCE

Of the 24,918 residents in Barbour County, 12,144 reside within the city limits of Eufaula. This building is the only auditorium or civic center for five schools, any entertainment activities of all civic groups or clubs: the Music Clubs, Pageants, Choral Groups, Glee Clubs, Little Theatre Activities, Inside Graduations or Awards, Band Concerts, Political Forums, or Farm Seminars. One of the first high schools to have a Pipe Organ, the Cultural Life of Eufaula has always been centered in this lovely auditorium. Now that a new school has been built it is necessary to begin preservation attempts in order to maintain and preserve the Sanford Street building. Some repairs are necessary and the School Board does not feel financially capable of undertaking this and still give four city schools the financial support needed. Therefore, the only pretense of an auditorium for public use is either a gymnasium or a cafeteria.
