Historical Cemetery Marker & Plaque Program

PURPOSE

The Alabama Historical Commission (AHC) historical cemetery markers and plaques inform the public about significant historic cemeteries in Alabama.

HISTORICAL MARKERS

Sewah Studios in Marietta, Ohio manufactures all AHC markers and plaques in the "Georgia" Pattern. Historical markers are available in two sizes, small (24" h x 30" w) or large (30" h x 42" w) and come standard with a 7' post (a 10' post is available for an extra charge of \$25). The state cemetery seal is used as the emblem in the crest. The person ordering the marker is responsible for sending payment directly to Sewah Studios upon invoice. The AHC Cemetery Program Coordinator must authorize Sewah Studios to manufacture each marker. The current price for a marker ranges from \$1440 to over \$2590 depending on the size of the marker and the amount of text. The price includes delivery.

PLAQUES

A mountable plaque is also available for purchase. The plaque measures 16" h x 16.5" w and also features the state cemetery seal as the emblem in the crest. Four text options are available and the cost is \$470, which includes mounting hardware and delivery.

FUNDING

No state funds are available for markers or plaques. Individuals and organizations must raise the funds to purchase a marker or plaque.

ELIGIBLE CEMETERIES

To purchase an AHC historical cemetery marker or plaque, the cemetery has to be listed on one of the following: the Alabama Historic Cemetery Register, the National Register of Historic Places, or the Alabama Register of Landmarks and Heritage. It will also be eligible if the cemetery is listed as a contributing resource in a listed National Register or Alabama Register Historic District.

RESTRICTIONS ON MARKER TEXT

The marker text should focus on the history of the cemetery and if possible, include historical information about the people buried there and information about the community in which the cemetery exists. The names of living persons of less than national significance will not be considered for inclusion in marker narratives. The names of the people or the organization that are erecting the marker will be allowed on the sponsor line at the bottom of the marker/plaque.

PROCEDURES FOR SECURING A MARKER or PLAQUE

1. An application must be completed and submitted to the AHC Cemetery Program Coordinator. An acceptable reference must be given for all statements to be included on a marker. Photocopies of unpublished sources should be submitted.
2. While the AHC is the final editor of marker texts, the applicant must verify the final text before the AHC sends it to Sewah Studios.
3. Once the marker text is finalized by the AHC and verified by the applicant, the AHC sends an authorization letter to Sewah Studios who then manufactures the marker. Sewah Studios begins to process the order as soon as it is received. An invoice is sent to the billing address when Sewah Studios ships the marker or plaque.

Historical Cemetery Marker & Plaque Program

ERECTION

The erection of markers is the responsibility of the applicant.

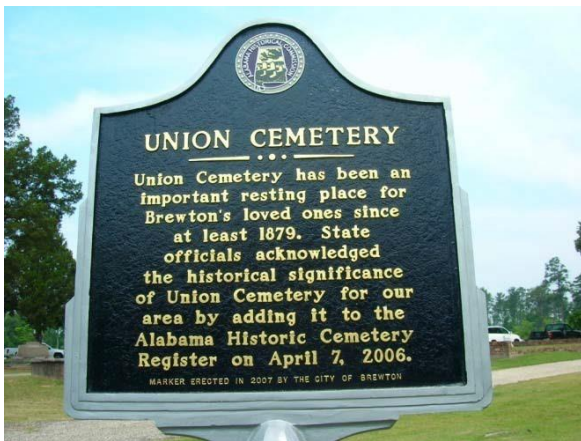

DEDICATION

The dedication of the marker is left entirely to the group who ordered the marker. If time and funding permits, a staff member of the Alabama Historical Commission can attend the ceremony if requested.

MAINTENANCE

All future maintenance of historical markers is the sole responsibility of the applicant.
