Commission Assistance and Mentoring Program (CAMP®) is the signature training offered by the National Alliance of Preservation Commissions (NAPC). CAMP is led by qualified preservation professionals in support of NAPC's mission to “build strong local preservation programs through education, advocacy, and training.” Trainers include commissioners, local, state and national staff members, attorneys, consultants and commission partners. The goal of CAMP is to provide high-quality, engaging and informative training to preservation-related boards and commissions of all types through presentations, hands-on exercises, group discussions, networking, and mentoring. We also encourage elected officials and other municipal, county, and state agency staff members to attend.

Free registration is required by May 18. Visit the AHC website at <https://ahc.alabama.gov/CLG.aspx> for a registration form. Contact Paige Thomas at Paige.Thomas@ahc.alabama.gov / 334-230-2643 with any questions.
