

2023 Photo Contest Calendars are here!

About the contest

The Alabama Historical Commission (AHC) sponsored its first Historic Places Photography Contest in celebration of Historic Preservation Month, May 2022.

The AHC welcomed all photographs highlighting Alabama's historic buildings, neighborhoods, and places that matter to Alabama residents. We received over 70 submissions and selected 14 photos to feature in our 2023 calendar. Photographers of any age or skill were encouraged to submit an entry.

Many events are planned during the month of May to promote historic places for the purpose of instilling national and community pride, promoting heritage tourism, and showing the social and economic benefits of historic preservation. People across the country participate annually in Preservation Month celebrations.

The 2023 Calendars are currently being distributed across the state to our historic sites. To find out more information about the calendars, please contact Kathryn Shoupe at 334-230-2678.

Calendars are available at the AHC Main Office at 468 S. Perry Street, Montgomery, AL 36130. Shipping is not available at this time.

Please limit one per person. While supplies last.
