## Group Tour Experiences

**We offer discounted admission prices for groups of 10 or more people** visiting Montgomery's fully ADA-accessible Historic Greyhound Bus Station.

Meet the hundreds of Freedom Riders who risked everything to fight for integrated interstate travel in 1961. Listen to and sing along with the music of the Movement. Learn about nonviolent direct action, student activism, and the roles of state and federal government in the long Civil Rights Movement. See artifacts and works of art telling the story of the Freedom Rides in Montgomery. Stand in the Historic Greyhound Bus Station and learn how history was made here

The museum tour consists of instructions on how to navigate the museum followed by self-guided exploration. Museum staff will be on hand for visitors to ask questions, engage in discussion, and explore our art and history exhibits. Please schedule at least one hour for group tour visits to the museum. We also offer virtual tours. Call or email the museum for details on virtual tours. Please note that admission rates apply for virtual tours as well.

We also have a **gift shop** with t-shirts, buttons, books, and other items to celebrate and learn more about the Freedom Rides and Civil Rights.
